

## **Aina McCallum**

### *Hair and Makeup Artist*

Aina is a professional and hard-working Hair and Makeup Artist, eager to develop and share new skills and concepts. She is competent and confident in all skin tones and hair textures and specialises in Afro and curly hair textures and natural to soft glam makeup. She can colour hair, braid, add extensions, weave, make and install wigs. She can also provide different blowouts to create straight, wavy, bouncy and volumous hair. Aina can create updos for all hair types, from natural kinky, curly to European hair. Aina is able to design and style hair and makeup looks and has experience and understanding of continuity as well as historical and cultural knowledge of hair and makeup.
